Got the Skills?

Get the Recognition for course 17742
Electrotechnology (Career Start)
(Certificate II)

You don’t need to study what you already know! The skills, knowledge and experience you have gained from your previous learning, work experience and life in general may be taken into account. This is called recognition.

To apply for credit in one or more units you must clearly show that you have the equivalent and relevant skills, knowledge and experience of the unit or group of units.

Complete the relevant unit forms below, include your evidence and attach the Enrolment Adjustment Recognition form. Place this on top of your completed application as a cover sheet.

Keep a copy of all completed forms for your records.

Recognition for Unit of Competency forms

UEENEEE001B Apply OHS practices in the workplace
UEENEEE003B Solve problems in extra-low voltage single path circuits
UEENEEE004B Solve problems in multiple path d.c. circuits
UEENEEE002B Dismantle, assemble and fabricate electrotechnology components
UEENEEE005B Fix and secure equipment
UEENEEE007B Use drawings, diagrams, schedules and manuals
UEENEEE008B Lay wiring/cabling and terminate accessories for extra-low voltage circuits
UEENEEG001B Solve problems in electromagnetic circuits

Learning specifications Recognition
9119A Electrotechnology OHS
9119V Applied electrical technology dc circuit
9080A Electromagnetic applications
9119U Electrotechnology practical
