Privacy Notice

If you are enrolled in the Certificate of General and Vocational Education (6512) and you are under 18 years of age, please read the following TAFE policy guidelines concerning the release of details about your studies to your parent/guardian/carer.

1. If you are between 15 and 16 years of age, information concerning your studies can be given to your parent/guardian/carer **without your consent**. For most students this is appropriate as the person requesting the information is someone who is supporting them in their studies. However all students in this age group should be aware that information about their progress will be released upon the request of the parent/guardian/carer.

2. If you are over 16 but under 18 years of age, information concerning your studies can **NOT** be given to your parent/guardian/carer without your consent.

To assist you in your studies and to help you progress as quickly as possible through the CGVE course, please tick one of the boxes below, sign this form and return with your enrolment pack or post directly to:
