Investigating Aboriginal Cultures
(Statement of Attainment)

You don’t need to study what you already know! The skills, knowledge and experience you have gained from your previous learning, work experience and life in general may be taken into account. This is called recognition.

To apply for credit in one or more units you must clearly show that you have the equivalent and relevant skills, knowledge and experience of the unit or group of units.

Complete the relevant unit forms below, include your evidence and attach the Enrolment Adjustment Recognition form. Place this on top of your completed application as a cover sheet.

Keep a copy of all completed forms for your records.
