TAFE Delivered HSC VET (TVET) Program
Advice on completing the Application to Undertake a TVET Course 2012

Read this introductory section before completing the Application form

This Application to Undertake a TVET Course is provided to assist with the placement of students into TVET courses. A separate Application is required for each TVET course a student wishes to be considered for placement.

Please note that completing and submitting an Application to Undertake a TVET Course does not guarantee acceptance into the TVET course.

The student completes Parts 1, 2, 3a, 4, 5 and 6 of the Application form.

Selection Criteria

Places in courses are offered to students on the basis of satisfying the selection criteria. In completing the Application form students should consider how they could demonstrate that they meet the following criteria.

The school student has:

- a well developed school to work plan, in accordance with the requirements of their school sector, which indicates that he/she has a career interest in the industry associated with the specific TVET course
- an understanding of that industry
- a high level of interest in the specific TVET course through, for example, interests and hobbies or career interest and future study plans
- prerequisite skills and ability which indicates a capacity to succeed in the specific TVET course
- the suitability of the specific TVET course for the school student
- a commitment to completing the specific TVET course
- application to studies, maturity, behaviour and suitability for an adult learning environment
- a good school attendance record

Additional selection criteria may apply to high demand courses. These criteria will be negotiated at the local level and made available through the school’s TVET contact person.

The number of places available in some courses may be limited by restricted facilities or the availability of work placements.

Please be aware that students should be responsible for arranging their own transport to and from the TAFE NSW college/campus and that travel out of school hours may be necessary.

When each student has completed the EOI form they should check that they have:

- discussed with appropriate school personnel
  - which TVET courses will be made available
  - which college/campus will be able to deliver the course
  - travel and/or time arrangements
  - how he/she can demonstrate that he/she meets the selection criteria
- completed Parts 1, 2, 3a, 4, 5 and 6 correctly
- (if appropriate) had the school complete Part 3b
- had his/her parent/caregiver sign the form in Part 7
- had the principal sign the form in Part 8
- (if required) attached to the form a copy of his/her most recent school report

TVET course details

The student enters known course information details. It is essential to indicate the course name, delivery day and delivery TAFE college/campus. TVET Offer Codes are allocated to TVET courses by the TAFE institute consultant – TVET. Enter this code if it is known. If TVET Offer Codes have not been allocated to the course by the TAFE NSW institute, the code may be added at a later stage in the process.

The student enters their name, address, date of birth, Board of Studies Student ID, school details and support information. Schools are required to check the accuracy of the information provided. For the questions relating to Traineeships and Apprenticeships, only tick Yes if this TVET course includes training for the traineeship/apprenticeship.

Your Head Teacher/Teacher can advise you of the modules in which your results will transfer. There may be some unit(s) of competency/module(s) where it is NOT possible to transfer your result. ### Student Privacy

The NSW TAFE Commission (having its principal office located at Level 2, 35 Bridge Street Sydney NSW 2000) collects personal information concerning students during their enrolment at TAFE NSW including, but not limited to, their attendance, participation, and academic progress. The information collected by TAFE NSW throughout a student's enrolment (collectively “the information”) will be used by TAFE NSW or other authorised organisations for the purposes of general student administration, identification, communication, state and national reporting, program monitoring and evaluation.

Student information will be held securely and disposed of securely when no longer needed. The information may be disclosed to Centrelink, the Department of Veterans Affairs, the Department of Immigration and Citizenship, the Universities Admissions Centre, Office of the Board of Studies and the National Centre for Vocational Education Research (NCVER) and/or an agency authorised to undertake surveys. In order to meet the requirements of Registered Training Organisations under the Apprenticeships and Traineeships Act 2001, apprentice and trainee information is provided to employers, Australian Apprenticeship Centres and State Training Services (or the relevant State Training Authority). Statewide and regional statistics derived from information provided by all students will also be provided to the Commonwealth.

While the provision of this information is not mandatory under legislation, it is a requirement of TAFE NSW that this information be provided in order for your enrolment to be accepted. This is to assist TAFE NSW in recording enrolments for certain target groups for which funding is provided for student services. Without that funding, TAFE NSW would be unable to continue providing training and services at current levels.

You may correct your personal details by contacting your TAFE NSW campus administration or by using TAFE NSW Student e-Services.

### Management of Risk of Harm to Students and Staff

TAFE NSW is required by law to ensure the health and safety of students, staff and visitors on our premises. In order to meet these legal obligations it is necessary for us to assess and manage any known risk of violent behaviour. If you have a history of violence that may suggest that you could pose a potential risk of any type to TAFE students, staff and/or visitors it is a condition of your enrolment to advise the Campus Manager, a TAFE Counsellor or your Head Teacher prior to attending your first class. For these purposes ‘violence’ is not restricted to physical acts. It includes any behaviour in the last ten years that seriously interferes with the physical or psychological safety and well being of others such as:

- actual violence to any person
- possession of or use of a weapon or any item with the intention to cause harm or injury to others
- threats of violence or intimidation of others
- suspension or expulsion from any school or educational institution for violent or aggressive behaviour.

TAFE NSW is committed to offering vocational education and training to the entire community. Following your advice of a potential risk, we will carry out an assessment of the risk and, if necessary, provide support and a management plan. Only in exceptional circumstances will a risk assessment lead to exclusion from enrolment. It is our aim to provide an appropriate, safe environment to suit every student’s needs and maximise your success in your studies.
