Hello and welcome to the Adult Basic Education teaching section.

Adult Basic Education helps students of all ages who want to be better at everyday reading, spelling, writing and maths.

We deliver the Statement of Attainment in Preparation for Work & Study and the Certificate 1 in Preparation for Work & Study.

These will provide a pathway to the Year 10 equivalent, CGVE course and many other vocational TAFE courses. It is a really good place to start when you are getting back into education and need to update your basic skills. Perhaps you’ve always felt your reading, writing & spelling could be better than they are now.

By studying a course with us you will gain skills and confidence to help you in your day-to-day life, further your studies or get a job.

Our understanding and supportive teachers will be happy to work with you from before you are enrolled, while you complete your course and advise you when you are ready to move on.

We look forward to hearing from you!
